MISSION:

Welcome to the Future of Travel... Lineaum's mission is to develop a new era of air mobility, creating the first blockchain Aviation marketplace to provide a more cost-effective, sustainable & faster way to carry millions of people through their lives...

SUSTAINABILITY:

Whether you are looking to use Crypto or local Currency to charter a Helicopter, Private Jet, eVTOL or an Airbus, our members benefit from gaining access to over 4,000 Aircraft worldwide, whilst travelling using Sustainable Aviation Fuel (SAF) or off-setting CO2 via one of our many Sustainability projects.

PHILOSOPHY:

Our philosophy & objectives are made up of three core values: Innovation, Agile & Sustainability.

We see technology as a form of art, allowing us to constantly push the boundaries with an unconventional & innovative approach. This inspires us to develop exciting new technologies that help drive change for a greener, better world... Welcome to Lineaum.

“Lineaum provides a low-cost, sustainable & faster way to transport millions of people across the world...”

CLIENT TESTIMONIALS

"We just wanted to send a big THANK YOU from our F1 World Champion & Ourselves for the charter flights from New York to the Montreal Grand Prix. Everything was wonderful, and your team did an exceptional job accommodating the last minute changes to the manifest. I assure you that we will be reaching out when we need flights in the future."

Ryan Giunta, North America F1 Team Headquarters

"Lineaum provides the most exemplary and courteous service, sadly a rare commodity in this day and age. Matched with their highly competitive edge makes this company the preferred choice every time when flying privately."

Mark Lloyd, Gulfstream

"Total discretion and outstanding assistance from the Lineaum team. I will definitely use you again in the future, as I thought your service was excellent!"

Jonathan Sanders, Finch & Partners

"The team at Lineaum always has a 'can-do' attitude to any destination request at very competitive prices. They are dedicated to delivering an excellent level of service that is always attentive, flexible and entirely personal."

Lady Victoria Getty

"We have found Lineaum to be a cost-effective, reliable and extremely efficient solution, with a very high level of personal service. They provide a bespoke solution to specific client requirements, and always deliver results quickly and efficiently."

Jamie Edmiston, Edmiston Yachts

"In all I would be delighted to use this Company again, it was a seamless experience and the people I spoke to and or emailed were of the most professional capacity and charming."

J M Bouchon, CEO

"I was extremely impressed by the level of service provided. The whole experience went very smoothly, as I found the Aviation Team to be extremely professional, courteous and well-informed. We would have no hesitation in recommending their services to anyone, and indeed, would certainly use them again in the future."

Bruce Bridges, President, Tsavorite PLC.

"The level of service and efficiency of delivery was simply flawless. Lineaum not only secured us our desired aircraft, but they did it at very competitive rates. I would have no problem recommending Lineaum to anyone."

Peter Lawery, Jupiter Group

"The quotes provided by Lineaum were the most competitive on the market and we look forward to utilizing their services again in the near future."

Jerome Jacober, Group Chairman
